Tom, Mark:

Under the Freedom of Information Act, I am requesting the following information:

All communications, letters, memos and emails regarding admission inquiries to the University of Illinois at Chicago Medical School from state legislators, constitutional officers and members of the University of Illinois board of trustees since Jan. 1, 2003. I also am seeking records pertaining to any face-to-face meetings or conference calls in which these admission inquiries were discussed.

Please let us know when some or all of these records are available and I will make arrangements to view and copy them.

Thank you,

Dave Newbart
