Dear Mr. Wheat:

I write to respond to your Freedom of Information request of October 6, 2009, and received in my office on October 13, 2009, in which you requested:

"copies of documents containing information about the number of students who enroll in degree programs and leave the University of Illinois without completing a degree as well as the number of people who take courses who are not enrolled in any degree program. I would like these statistics for the Chicago, Springfield, and Urbana-Champaign campuses."

Information responsive to your request is available online in the Student Data Book:
www.pb.uillinois.edu/dr/databook.cfm. For your convenience, pertinent information is provided below:

Number of students who left without completing a degree (or not enrolled not graduated), 6 years since matriculation for our 2002 first-time freshmen cohort:

UIUC – 17.3% of 6,328 students = 1,094 students

UIC – 49.1% of 3,015 students = 1,480 students

UIS – 31.1% of 116 students = 36 students

Number of undergraduate non-degree students for Fall 2008:

UIUC – 604

UIC – 89

UIC – 91

You have a right, under the law, to appeal this response to President B. Joseph White, 364 Henry Administration Building, University of Illinois, 506 S. Wright St., Urbana, IL 61801.

If I can help further, please call me at 217-333-6400.

Sincerely,
