

## What's Happening – October 2014

Banner Self-Service, a web-based application utilized by faculty, staff and students, is the primary tool for viewing information related to courses, grades, benefits, salaries, among other things, at the University of Illinois. Access is restricted to those with an Enterprise ID and password.

On the first day of the fall semester, August 25, University of Illinois users logged the following number of Banner Self-Service sessions:

- Urbana – 77,624
- Chicago – 33,482
- Springfield – 5,564
