Dear Mr. Jones:

I write to respond to your Freedom of Information request dated December 19, 2013, and received in my office on January 2, 2014, in which you requested:

“the Payment Bond and Performance Bond or the combined Payment/Performance Bond, the first five pages and signature page of the general/prime contractors contract with the Board of Trustees of the University of Illinois or any of its Agents, an accounting showing remaining funds to be paid on the project and the most recent statement provided to the General/Prime Contractor.

Additionally, kindly confirm if and when the project has been accepted by Board of Trustees of the University of Illinois and if so, any documentation or correspondence indicating or confirming the acceptance.

Our Client: L & W Supply Corporation D/B/A Chicago Area Building Specialties (A Delaware Corp)

Contracted with: Otis Construction Company

Prime Contractor: Path Construction Company, Inc.

Provided: Ceiling tile and accessories.”

Information responsive to your request is available and attached. These are public documents and number 13 pages.

Board of Trustees approval is not required for total project budgets below \$5 million; as such no records could be located regarding that portion of your request. Additionally, the University does not provide statements to the General/Prime Contractor as such no records could be located regarding that portion of your request. Please note, a taxpayer identification number has been redacted pursuant to Section 7(1)(b) of the Act, which exempts from disclosure “[p]rivate information, unless disclosure is required by another provision of this Act, a State or federal law or a court order.”
