Re: FOIA #13-619

Dear Mr. Robert:

I write to respond to your Freedom of Information request of December 30, 2013, and received in my office on that date, in which you requested:

“Rover Enterprises, LLC wishes to request the following public student directory information items of the entire student population at University of Illinois at Chicago campus for the Fall 2013 semester:

1. Student First Name
2. Student Middle Name
3. Student Last Name
4. Class (Level)
5. Major Field of Study.”

Information responsive to your request is available and attached. These are public documents that would, if printed, number 857 pages.

Students who have opted out of providing directory information have been removed pursuant to the following section(s) of the Act:

- 140/7(1)(a) that exempts from disclosure “Information specifically prohibited from disclosure by federal or State law or rules and regulations implementing adopted under federal or State law.” The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. §1232g) protects the privacy of student education records and prohibits the release of any information from a student’s education record without the consent of the eligible student or parent of the student.

Should you wish to inspect or receive a physical copy of these documents, please call Melanie Kuehn at the phone number below and she will provide you with all necessary details.
