Re: FOIA Request 14-191

Dear Mr. Tallon:

I write to respond to your Freedom of Information request dated and received in my office on April 1, 2014, in which you requested:

“I would like information regarding the number of Vascular Techs that work at the University Of Illinois at Chicago (Hospital) and the salaries paid to each. I suspect there are only a handful and they may be known by the names below:

Vascular technicians or vascular sonographers operate diagnostic equipment using ultrasound to record vascular information such as vascular blood flow, blood pressure, limb volume changes, oxygen saturation, cerebral circulation, peripheral circulation, and abdominal circulation. Registration is offered by Cardiovascular Credentialing International, (CCI) as a Registered Vascular Specialist (RVS) or by the American Registry of Diagnostic Medical Sonographers (ARDMS) as a Registered Vascular Technologist (RVT).”

Information responsive to your request is available and attached. This is a public document numbering 1 page.

Should you wish to inspect or receive a physical copy of these documents, please call Melanie Kuehn at the phone number below and she will provide you with all necessary details.

You have a right, under the law, to seek a review of this response by the Public Access Counselor (PAC) in the Office of the Attorney General. The PAC may be reached by phone at 217-782-1396, by email to publicaccess@atg.state.il.us, or by postal mail at the Public Access Bureau, 500 S. 2nd Street, Springfield, Illinois 62706. You also have the right to seek judicial review under section 11 of this Act.
