Re: FOIA #14-430

Dear Mr. Tallon:

I write to respond to your Freedom of Information request dated and received in my office on June 13, 2014, in which you requested:

“List of all physicians employed at UIC
Specialty/subspecialty of each physician
Most recent salary of each physician
FTE of each physician
Academic status (are they faculty)
Years of experience

I would also like any documents that give me an insight into how salary is set for physicians at UIC. Is there a formal process or a policy that is used? If so, I would appreciate a copy of that policy.”

Information responsive to your request is available and attached. These are public documents and would, if printed, number 20 pages. Because the XLS file type allows for editing of the included data, we ask that prior to opening the files you accept responsibility for accurate dissemination of this information and agree that no manipulation of the file that results in falsification of the information will occur.

Please note, all individuals listed are considered faculty. Additionally, the University could only provide hire dates for the portion of your request seeking years of experience. The University does not have a set policy relating to how salaries are set.

Should you wish to inspect or receive a physical copy of these documents, please call Melanie Kuehn at the phone number below and she will provide you with all necessary details.

You have a right, under the law, to seek a review of this response by the Public Access Counselor (PAC) in the Office of the Attorney General. The PAC may be reached by phone at 217-782-1396, by email to publicaccess@atg.state.il.us, or by postal mail at the Public Access Bureau, 500 S. 2nd Street, Springfield, Illinois 62706. You also have the right to seek judicial review under section 11 of this Act.
