Re: FOIA Request 14-355

Dear Mr. Teaman:

I write to respond to your Freedom of Information request dated and received in my office on May 19, 2014, in which you requested:

- “• Any and all current contract(s) for security services at University of Illinois at Chicago facilities, excluding contract JJW812 with Per Mar Security Services, which you sent us recently.
- The RFP for any such contract(s).”

The University has a current contract with Securitas for security services. Please note, the University is utilizing the Illinois State University (ISU) contract, which was available to the other state universities. That contract was identified as number RFP-DR032212.

Please be advised, because the University's contract with Securitas is a utilizing the ISU contract, the University does not have copies of the actual contract or RFP. The University has contacted ISU to obtain a copy of the requested records, but has been unable to obtain those records to date. When the requested records are received, the University will forward a copy of the responsive records to your attention. Attached is the information posted on the Procurement Bulletin for ISU's contract. If there is another document you seek, please submit another FOIA to my office.

You have a right, under the law, to seek a review of this response by the Public Access Counselor (PAC) in the Office of the Attorney General.
