Re: FOIA Request 14-374

Dear Dr. Scheinman:

I am responding to your letter received in our office on May 22, 2014, under the Freedom of Information Act ("FOIA" or the "Act") in which you submitted nine separate FOIA requests. Request 10 sought:

"10. The actual emails identified in 20140522_9 [14-373]. If you refuse to provide these emails, then provide the metadata on these emails, that is, a complete list of emails by number, date, time, from, to, cc, bcc, and subject line, as well as an email by email explanation for why that email was withheld."

Request 14-373 sought:

"The number of emails between Ms. Laura Frerichs and Mr. Peter Fox sent/received in the last year, where these emails contain a reference to 'medical,' ie the keyword 'medical' is contained within the subject line, body of the message, or both."

Information responsive to your request is available and attached. These are public documents numbering 10 pages.

Portions of these documents have been redacted pursuant to the following section(s) of the Act:

- 140/7(1)(b) that exempts from disclosure "Private information, unless disclosure is required by another provision of this Act, a State or federal law or a court order." This includes cell phone numbers.
- 140/7(1)(c) that exempts from disclosure "Personal information contained within public records, the disclosure of which, if disclosed, would constitute a clearly unwarranted invasion of personal privacy, unless the disclosure is consented to in writing by the individual subjects of the information." This includes cell phone numbers.
- 140/7(1)(f) of FOIA, which exempts "Preliminary drafts, notes, recommendations, memoranda, and other records in which opinions are expressed, or policies or actions are formulated, except that a specific record of relevant portion of a record shall not be exempt when the record is publicly cited and identified by the head of the public body."
