Dear Mr. Rosenthal:

I write to respond to your Freedom of Information request of September 4, 2014, and received in my office on that date, in which you requested:

“...existing governing documents for institutes and centers at the University of Illinois. These can be any existing contract, bylaws, charter agreement, or any other document establishing or detailing the relationship between the University and a institute / center. I am requesting these documents for:

- Center for Global Studies
- Center for East Asian and Pacific Studies
- Institute of Government and Public Affairs”

On September 18, 2014, we advised you that a search was conducted and no records pertaining to the Center for Global Studies could be located as of yet. Records responsive to your request have now been located and are being provided to you. These are public documents numbering 22 pages.

Should you wish to inspect or receive a physical copy of these documents, please call Melanie Kuehn at the phone number below and she will provide you with all necessary details.

You have a right, under the law, to seek a review of this response by the Public Access Counselor (PAC) in the Office of the Attorney General.
