Re: FOIA 14-778

Dear Ms. Pfeifer:

I am responding to your request dated November 18, under the Illinois Freedom of Information Act in which you request:

"I am requesting information related to the Urbana-Champaign employees only. I do not want any personal information. I would like figures on how many "civil service classified", "faculty", "other academic", "academic professional" and "extra help" employees have a home or permanent address (no distinction needed) in the 61853 area code.

I am seeking to identify how many of our area residents are working at the University of Illinois in these capacities. With extra help, it might be tougher, I think. Please use judgment to qualify if you are providing registered extra-help employees or those in active service positions on a specific date. I can be flexible on this data."

Information responsive to your request is available and attached. This is a public document numbering 1 page.

Should you wish to inspect or receive a physical copy of this document, please call Melanie Kuehn at the phone number below and she will provide you with all necessary details.

You have a right, under the law, to seek a review of this response by the Public Access Counselor (PAC) in the Office of the Attorney General. The PAC may be reached by phone at 217-782-1396, by email to publicaccess@atg.state.il.us, or by postal mail at the Public Access Bureau, 500 S. 2nd Street, Springfield, Illinois 62706. You also have the right to seek judicial review under section 11 of this Act.

If you have questions for our office, please contact 217-333-6400.

Sincerely,

Thomas P. Hardy
