Re: FOIA Request 15-163

Dear Ms. Davis:

I write to respond to your Freedom of Information request dated and received in my office on March 2, 2015, in which you requested:

“We would like to request, pursuant to the Freedom of Information Act (5 ILCS 140/1, et seq.), that you disclose the specific information relating to any and all of the price lists for the purchase and sale of all food service and relevant food service products in your facility and all food vendor and food service product price sheets for each facility.”

On March 9, 2015 the University responded seeking that you narrow your request in order to process your request. On March 12, 2015 you responded by providing the following clarification:

“Please allow this correspondence to formally narrow the request to cutlery and dietary kits.”

No records could be located responsive to your narrowed request for pricing of cutlery and dietary kits as the University does not sell these items. Current vendors either provide them free of charge or do not use them at all.

You have a right, under the law, to seek a review of this response by the Public Access Counselor (PAC) in the Office of the Attorney General. The PAC may be reached by phone at 217-782-1396, by email to publicaccess@atg.state.il.us, or by postal mail at the Public Access Bureau, 500 S. 2nd Street, Springfield, Illinois 62706. You also have the right to seek judicial review under section 11 of this Act.
