Dr. Phyllis M. Wise

Dear Dr. Wise,

I acknowledge receipt of your communication of last night advising me that you are resigning your position as Chancellor of the University of Illinois at Urbana-Champaign and Vice President of the University of Illinois, and declining the position of advisor to the President on biomedical affairs. I will proceed accordingly.

Thank you for your administrative service to the University over the past years and I welcome you back to our faculty.

Sincerely,

Timothy L. Killeen
