Re: FOIA Request 15-407

Dear Mr. Asari:

I write to respond to your Freedom of Information request dated and received in my office on May 14, 2015, in which you requested:

“...information on current faculty/staff and place a request for directory information, in order to recognize current and potential honor society members at your school. HonorSociety.org would like to request the public directory of faculty/staff, including the following information:

- Name
- Official e-mail address
- Title
- Department
- Awards/Honors received”

On May 18, 2015, you modified your request stating that if honors/award information was unavailable, our office could remove that point from the request. Since honors/award information is not tracked, we are not able to provide you with that information.

Due to file size, the records referenced above are available for download at
