Re: FOIA 15-607

Dear Mr. Hopper:

I am responding to your request dated July 23, 2015, under the Illinois Freedom of Information Act, in which you request:

“I am requesting an electronic copy of the records provided to Rozik Avanesian in the FOIA request he filed with your office dated January 6, 2015 and later assigned the number 15-009”

Information responsive to your request is available and attached. These are public documents numbering 377 pages.

Portions of these documents have been redacted pursuant to the following section(s) of the Act:

- 140/7(1)(a) that exempts from disclosure “Information specifically prohibited from disclosure by federal or State law or rules and regulations implementing adopted under federal or State law.” Specifically, the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. §1232g) protects the privacy of student education records and prohibits the release of any information from a student’s education record without the consent of the eligible student. In this case, grade distributions are not displayed when a section has low enrollment or when all students in the class have the same grade. Because of the low enrollment in those classes or because all the students in a class received the same grade, the grade data could identify a student. Thus, such information was not provided to you as it would not only violate FERPA, but it would also be invasion of personal privacy under Section 7(1)(c) of the Act. In addition, teaching assistant names may have a value of “N/A” if the TA has requested anonymity under FERPA. Again, release of such information would both violate FERPA and be an invasion of personal privacy.

As the Excel file type allows for editing of the included data, we ask that prior to opening the files you accept responsibility for accurate dissemination of this information and agree that no manipulation of the file that results in falsification of the information will occur.

Should you wish to inspect or receive a physical copy of these documents, please call Melanie Kuehn at the phone number below and she will provide you with all necessary details.
