Re: FOIA Request 15-727

Dear Mr. Hettinger:

I write to respond to your Freedom of Information request dated and received in my office on August 28, 2015, in which you requested:

“…all self-reported NCAA violations by the DIA in Urbana between May 1, 2015 and August 28, 2015.”

Information responsive to your request is available and attached. These are public documents numbering 29 pages.

Portions of these documents have been redacted or withheld pursuant to the following section(s) of the Act:

- 140/7(1)(a) that exempts from disclosure “Information specifically prohibited from disclosure by federal or State law or rules and regulations implementing adopted under federal or State law.” Specifically, the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. §1232g) protects the privacy of student education records and prohibits the release of any information from a student’s education record without the consent of the eligible student. Thus, identifiable student information was redacted from the responsive documents.

- 140/7(1)(b) that exempts from disclosure “Private information, unless disclosure is required by another provision of this Act, a State or federal law or a court order.” This includes home addresses, dates of birth, university identification numbers, and other unique identifiers.

- 140/7(1)(c) that exempts from disclosure “Personal information contained within public records, the disclosure of which, if disclosed, would constitute a clearly unwarranted invasion of personal privacy, unless the disclosure is consented to in writing by the individual subjects of the information.” This includes information about students, prospective students and family members.
Should you wish to inspect or receive a physical copy of these documents, please call Melanie Kuehn at the phone number below and she will provide you with all necessary details.
